Personal contact and interview method were used to collect the reliable data. Biography was explained through filled questionnaire by respondent. In most of the national and International competition of Wrestling, he won Gold medals followed by few silver and bronze medals. Different highest awards of India i.e. Arjun award, Rustam-e-International.

Keywords: Arjun award, case study

Introduction

Wrestling represents one of the oldest forms of combat. The origins of wrestling go back 15,000 years through cave drawings in France. Babylonian and Egyptian reliefs show wrestlers using most of the holds known in the present-day sport. Literary references to it occur as early as the Old Testament and the ancient Indian Vedas. In the Book of Genesis, the Patriarch Jacobi's said to have wrestled with God or an angel. The Iliad contains references, in which Homer recounts the Trojan War of the 13th or 12th century BC. Indian epics Ramayana and Mahabharata contain references to martial arts including wrestling. In ancient Greece wrestling occupied a prominent place in legend and literature; wrestling competition, brutal in many aspects, served as the focal sport of the ancient Olympic Games.

Satyawart Kadian born in middle class family of Rothak on 9 Nov 1993 in Haryana. His father Satyawan Kadian is an Arjun Awardee and 1998 summer Olympics Olympian and his mother Shrimti Indumati is a house wife. He has one younger brother Somveer Kadian who is also an international wrestler. Satyawart Kadian's wife is Padamshree Awardee Miss Sakshi Malik an Arjun Awardee and Bronze Medallist in 2016 Rio Olympics. She won the bronze medal in the 58 kg category, becoming the first Indian female wrestler to win a medal at the Olympics and the fourth female Olympic medallist from the country.

The schooling education of Satyawert kadian is from Vaish Public School Rothak, Haryana. After completing school he got the admission in Maharshi Dayanand University, Rothak for Bachelor degree in B.A.

Now the journey of a professional wrestler he has to play school national first time in 2009, New Delhi And got the silver medal. When he got first medal in school games after that he will continue participate in other national games and got the many nationals medals.

2010 Youth Olympic Games

Kadian's first major medal at an international event was when he won the bronze medal in the boys' freestyle 100 kg category at the debut Youth Olympics in Singapore, announcing himself to the Indian wrestling community and to the world.

2013 World Youth Wrestling Championships

Kadian rose to prominence in the 2013 World Youth Wrestling Championships in Sofia, Bulgaria when he became the only Indian wrestler to return home with a medal.

Statement of the problem

The purpose of the study gives an insight into the factor that was conducive for Satyawart Kadian growth as Arjun Awardee in wrestling

Objective of study

- Childhood
- Educational background
- Professional Qualifications
- Professional career
- Achievements

Delimitations

- The study was delimited to childhood of Satyawart Kadian.
- The study was further delimited to the educational background and professional qualifications of Satyawart Kadian.
- The study was further delimited to achievements of Satyawart Kadian

Limitations

- The Study was conducted through interview so it will totally depend on the subject response and his mood.
- The study was dependent on the official documents, pictures, videos provided by the subject.

Hypotheses

- Satyawart Kadian is a very good wrestling player and winning many national and international tournaments.
- Satyawart Kadian is the eminent wrestling player and the strict disciplinarian who is awarded by Arjun award.

Significance of the study

- Findings of this study would be a great source of inspiration to the present and future physical educationists, sports promoters and sports persons.
- This would be a valid document of the past and will reveal historical prospective to the coming generations in the field of wrestling.

Definitions and Explanation of Terms

Case study: - The case study is used to provide detailed information about an individual, institution, community etc. It

aims to determine unique characteristics about the subject or condition.

Arjuna Award: The Arjuna Awards are given by the Ministry of Youth Affairs and Sports, government of India to recognize outstanding achievement in National sports. Instituted in 1961, the award carries a cash prize of ₹ 500,000, a bronze statue of Arjuna and a scroll.

Research Design

The purpose of the study gives an insight into the factor that was conducive for Satyawart Kadian growth as Arjun awardee. The problem was stated as “Arjun awardee Satyawart Kadian”, a case study

Data Collection

Data/information for this investigation were derived from the primary and secondary sources Personal Record, Interview, Pictorial Records, and Published Material.

Analysis and Interpretation of Data

Data/Information collected through primary and secondary sources were analysed qualitatively which was facilitated through the use of external and internal criticism.

Conclusions

On the basis of the findings/information of the present study the Satyawart Kadian is a very good wrestling player and winning many national and international tournaments. Satyawart Kadian is the eminent wrestling player and the strict disciplinarian who is awarded by ARJUNA AWARD.

Suggestions

- It is suggested that similar case study may be conducted on other eminent personalities of different sports and physical education.
- Similar study may be carried out on the institutions who have contributed significantly for developing physical education & sports in the country.
- Findings of this study may be incorporated in the syllabus of physical education courses.
- Studies may be conducted to compare the contribution and personalities of eminent professionals in physical education & sports.
